We sent the FEIS comment letter on 3/10/14. I just called Lisa and she thought she put it in the database. She will send it to you now. No other formal letters to release. Our comments on the pre-SEIS sections are deliberative – your assumption is correct.

Thanks,  
Suzanne

Do you mean the formal letter comments on the DEIS? (Attached) I am assuming that our comments on all the sections are the pre-SEIS comments and are deliberative. Are there any other formal letters that should be released?

Please release comments on the DEIS, but not the pre-DEIS. We were essentially acting as a co-op agency and didn't share our preliminary comments with any entity besides NRC.

Thanks,  
Suzanne

Hi Suzanne –

Lucita is wondering whether we would consider our comments on the preliminary DEIS for Dewey Burdock deliberative and therefore not produce anything like that in response to the FOIA? What are your thoughts about that?

Also, Lucita reminded me that we were not an official cooperating agency – if the preliminary comments went out to other entities outside the US Govt do you want to try to claim an exemption?

Finally, I told Lucita that our formal comments on the DEIS should be released (because I think they have to go on our website anyway) – I'm sure that's what you would say, but just checking...

Thanks,

Erin
